

Online Portal Manual

Registration

Please note only Bantam account holders will be able to register.

You will need your account number and the email address registered in the Bantam account system as well as a valid Cell phone number to receive a OTP (One-time-pin) to complete the process.

Step 1: Go to www.bantam.co.za in your internet browser

Step 2: Click on the register button as seen above

Step 3: Complete the registration form and follow the prompts

Step 4: Enter the OTP when prompted to complete your registration

Registration

Trouble Shooting:

If nothing happens when you click the red "Create Account" button at the end of the form scroll back up over the form and check if there are any red warnings e.g. incorrect input of the below cell phone number

Valid Cell Number:

08652223565565

e.g. 083345 6789 or +97155 555 5555 or +26876 55 7777

or starred fields e.g. missing address line 2

PLACE ORDER

CREATE QUOTATION

You can view all the product added to your basket located at the top right hand of your screen. The basket is easy to manage, you can amend quantities and remove products. From here you can place orders directly or create quotations.

Placing an Order

Once all goods have been added to the Basket, you have the option to either:

- PLACE ORDER
- CREATE QUOTATION

PLACE ORDER will process the order and place it as an already created order within the Bantam system, and the order will be processed for delivery, and the amount in the basket added to your credit account.

Template List

TEMPLATE NAME		
BANTAM TEST TEMPLATE	VIEW	DELETE

Template: Bantam Test Template

	PRODUCT CODE	PRODUCT DESCRIPTION	FREE STOCK	QTY	UPDATE	DELETE
	HTG766	DEAMARK GLUE GUN PROFESSIONAL (80W) FL-188A	1640	<input type="text" value="5"/>		

You can create order templates should you have the requirement to place the same order repeatedly. You can create multiple templates and they can be managed i.e. products can be added and removed from your templates.

You can add products to your templates in the Shopping section.

Suggested Orders

Your suggested order list

ADD ENTIRE LIST TO BASKET

	PRODUCT CODE	PRODUCT DESCRIPTION	FREE STOCK	QTY	ADD ITEMS TO BASKET	
	CO63	FS-U 4-80W Fluorescent Starter	11432(CT) 8247(JHB)	<input type="text" value="8"/>	<input checked="" type="checkbox"/>	
	FS86	RECHARG. 6V2AH EMERGENCY LT 24LED WITH STAND	11880(CT) 12965(JHB)	<input type="text" value="7"/>	<input checked="" type="checkbox"/>	

The suggested orders list is based on your buying patterns and the products which you have purchase most over the past months.

These items can be added to the basket. If you do not want a specific item to be added to your basket you can change the QTY to "0"

Your Callback Orders

NOTE

YOU WILL RECEIVE A NOTIFICATION VIA EMAIL WHEN ANY OF THE BELOW PRODUCTS BECOMES AVAILABLE FOR PURCHASE. THE ITEMS WILL BE AVAILABLE ON A "FIRST COME FIRST SERVE" BASIS.

If a product is out-of-stock it wont give you the option to add it to your basket but instead you can request a call-back for when the product comes back into stock. The detail of these items will be listed here along with the quantity requested.

Utilise our Data

HOME | SHOPPING | ORDER HISTORY | MY ACCOUNT | TEMPLATES | SUGGESTED ORDERS | CALL-BACKS | UTILISE OUR DATA

YOU ARE IN :

UTILISE OUR DATA

Find out how you can easily use our product and image data on your website and other systems.

You can collect Eurolux product and image data for use on your own systems.

Details Below:

Download our easy to use Windows app called "Collect Eurolux Data" that enables you to collect our product and image data at the click of a button OR set the app to automatically collect data once per day at 11PM. All data collected will be specific to your account, meaning any discounts will be reflected on the pricing details you receive. The app can be downloaded by [clicking this link](#). Just unzip, click setup.exe and install. You can then also load a pre-configure product list populated in Microsoft Excel and upload the list to the app using [this excel template](#).
